2. The minutes from the September 14, 2006 meeting were approved as distributed.

3. Old Business –

A. Pervious Concrete -

Draft 12 was discussed. Modifications agreed upon included modifying the fly ash verbiage to "Supplementary Cementitious Materials" and use the Portland cement general language for fly ash selection. Rod will present for a number at the Main

Committee meeting on October 19. The discussed modifications and the Change number (176NS) are to be presented with the minutes.

B. Aggregates –

Bob Shafer discussed the recently held Task Force meeting. The attendees discussed areas of responsibility and the information gathering is progressing. The next Task Force meeting will be held on November 2.

C. Class N Pozzolan / Fibers / Color –

The latest proposal was discussed with agreed modifications to include (1) 2201-1.1.1 should be 201-1.1.1, (2) redistribute fly ash areas, (3) reword submittal area language, and (4) add notes 8 & 9 to Table 201-1.1.2(A) and attach to the minutes.

D. Repairs to Table 201-1.1.2(A) –

Don & Rod will present the language that accompanies the Table repairs at the next meeting.

E. Other Old Business –

None

1. New Business –

A. Jerry alerted the Group that a rewrite of the Reclaimed concrete area will be presented to the Group from the Editorial Subcommittee in the near future.

B. Don suggests the Group investigate a possible rewrite of the Grouts in Section 202. There appears to be a lot of duplication that the Group should be able to condense.

C. Rod alerted the Group that the Greenbook is reverting back to US Customary units at the 2009 printing. The Group should begin its investigation of the change now to avoid last minute errors.

2. Next Meeting **Thursday, November 9, 2006**, same location and time.

3. Meeting adjourned at 11:00 AM.
