2. The minutes from the May 8, 2008 meeting were approved as distributed.

3. Old Business –

A. Change No. 184NS - Class N Pozzolan / Fibers / Color –

Change No. 184NS is still with the Editorial Subcommittee.

B. Change No. 190NS - Grout Section 202 Modifications –

Change No. 190NS is also with the Editorial Subcommittee.

C. Aggregate Sub-Task Force –

The proposals to modify the gradations and quality requirements for both the coarse and fine aggregates were discussed. The Group requested the SE & CV language be modified to include moving average requirements. A proposal to modify the wording of 200-1.3.2 to mandate the waiving of individual aggregate gradations if the combined gradation is conforming was also discussed. Buddy will discuss changes with Tim and have final draft available for the next meeting.

D. Self Consolidating Concrete –

The new ACI document was supposedly complete, but not presented. The Group is awaiting Tim's submission to the Group when available.

E. Zero Slump (RCC) Concrete –

The Group discussed the need for such a material in the Greenbook and selected Rod to pose the question to the Main Committee at the next meeting.

F. High Early Strength Concrete –

Rob distributed a draft outline of the proposed specification and a discussion followed.

4. New Business –

A. The annual So Cal APWA BBQ will be held on June 26, 2008 and the Main Committee Co-Chair (Erik) is requesting a “good showing” of all Subcommittee and Task Force members. The BBQ is free to all who participate in the Greenbook's formulation and updating process.

B. The City of Los Angeles completed their first pervious concrete project.

5. Next Meeting **Thursday, July 10, 2008**, same location and time.

6. Meeting adjourned at 10:20 AM.
