2. The minutes from the September 9, 2010 meeting were approved as distributed.

3. Old Business –

A. Aggregate Review –

- Change No. 218NS – The Group decided to place the test procedure in Section 211 and refer to it from both Part 2 and Part 4. Rod will make the modifications and send out with the minutes.
- Change No 221NS – The Group agreed with placing the last sentence first and the second sentence last. Ken will resubmit to the Surface Subcommittee at the next meeting.
- Pump Style Draft distributed and the “CSP” combined gradation discussed. Ken previously sent modifications to the notes in Table 201-1.1.2(A) which Rod could not find. The modifications will be presented with the minutes of this meeting.

- Other discussions included the definition of “gravel”, a 30-break requirement for class mixes, and keeping the 100 revolution LA Rattler requirement in 200-1.4(A).
- B. Admixture Update –
Change No. 220NS is currently with the Editorial Standards Subcommittee for review.
- C. Rapid Strength Concrete/Portland Cement modification –
- Drafts #1 & #2 of the modification of 201-1.2.1 prepared by Kirk McDonald were discussed. The request has been made for a “word search” in the Greenbook for ‘Portland Cement’ but results not yet received.
 - The Group decided to add the Type K or shrinkage-compensating cement to the section. Matt Jabbari will work on the draft language.
 - Language regarding the use of Interground materials will be investigated by Kirk and Gary.
- D. Other Old Business –
- Next meeting (November) will be held at the AGC offices in West Covina and will be held on Tuesday instead of Thursday (Thursday is a Federal Holiday and the AGC offices are closed).
4. New Business-
- A. The ACPA workshop scheduled for October 6, 2010 in the Kellogg Center of Cal Poly was well attended. Ken presented information on the current Ad Hoc business. Ken also informed the Group that Section 90 is undergoing a complete transition.
- B. Renato will investigate the presentation of the use of air-entraining admixture in the extruded curb & gutter mixes in Table 201-1.1.2(A).
5. Our next meeting will be held **Tuesday, November 9, 2010, at 10:00 am**, at the AGC offices in West Covina.
6. Meeting adjourned at 11:30 AM.
