- * Denotes remote attendance via WebEx or Teleconference
- ** Committee Chair

II. **Announcements:**

Minutes passed and approved without corrections

New Name for the Subcommittee: Material And Methods – it is Official

III. **Old Business:**

- A. Part 5 – The subcommittee continued editing portions of Part 5 relevant to Cured in Place methods with revisions to 500-1.12. References to other subsections (e.g. 500-1.1.7 Miscellaneous.) will need to be checked later for consistency once renumbering of those subsections has been completed.
- B. SLACK.COM this will be our way of communicating and updating the files as the committee works on them. When you get a SLACK.COM invite – please respond and accept and create your account.

IV New Business:

- A. BD is working on SLACK.COM invites the tutorials to help us use Slack.com.
- B. GC Our committee will need to take the lead on the Concrete Ad Hoc committee and see what is going on there, - GC will bring this to EU attention.
- C. WORD is being placed on the computer in our meeting room, this will help with during the meeting revisions to our work.

IV. ACTION ITEM:

- A. GC is having Cast In Place Concrete Box stick to the need construction specification NOT design. They have had one meeting and GC will have them report in August.
 - B. BB 207.20 Changes. Sanitation District has sponsored – GC will put on the August Agenda for discussion. IT has been formally submitted by Thompson Pipe Group.
 - C. DP has suggest and begun work on Precast Manhole and Utility Vaults, Section 215 has been recommended
- D. Adjourned: 12:05PM
- E. Next meeting: September 13, 2016 11:00AM

Jamie L. Lienberger – Secretary
Lienberger and Associates
