- ** Committee Chair

II. **Announcements:**

Minutes for January have been posted please read and review thanks

III. **Old Business:**

289NU Manhole spec in Editorial for review –

284NU – no relevant update

302NU UV CIPP

IV **New Business:**

KW/JL suggest there be more than one Task Force meeting a month. JL suggests that the task force meeting happen the Monday before the Tuesday meeting or the morning of the Tuesday meeting. KW agreed and will work with LACSD on this. KF by the MAY 2020 meeting all the task forces need to have their updates into the Greenbook committee, we cannot go past JUNE 2020 or we will not meet the deadline for the 2021 Greenbook. DB invited Houston Testing Labs to the Task Force meetings. GN has asked JL to Add the 365 office link to the Greenbook subcommittee minutes and also get it added to the monthly agenda. KW is in charge of the UV task force and will meeting bi monthly GN suggestion the the Task Force as you complete parts of the update bring that into the Subcommittee and we will get it added to the update. There was discussion as to what Edition of the Greenbook agencies were using, KW stated that Los Angeles we on 2015, but would move to 2018, OCSO stated they were now using the 2018 book

and so did San Diego. KF stated that both DPW and LACSD were using the most current edition of the Greenbook. Every major organization involved in Greenbook, was using most up to date Greenbook. KW will invited Omega Liner and JR pipeline to the Task Force meetings for additional input. GN purpose of updates is to re organize the Section 500 content and make is clean. Redlines and updates will be sent to the task force leader who will bring them to the Greenbook monthly meeting.

GN supplemental working document is all one PDF and will be all in one word doc to be read and red lined by the members. The task force chairs will up date the folders -
