Call to Order: 11:06AM

Self-Introductions

**Old Business:** 289NU review and put on a 30 day hold KF emailed JL documents to review, JL will send those out to the group for comment and review.

KF: comments and review of the Gasket – renamed to joints, recommended to add profile gaskets, water tight gaskets, MM stated this could be removed as it was from an older standard.

KF gaskets are well defined here in this section.

KF the sections we are reviewing points to gravity pipe and not pressure pipe let the Special Provisions do the rest.

KF motion for a 30 day hold. – PK second and all in favor – 289NU is on a 30 day hold

**New Business: Part 5 discussion about uv, the up coming task force groups**

**Still waiting on an outline to get us rolling.**

Adjourn: 11:24AM

**A. Next meeting: April 16, 2019**
