Minutes Approved: KF

I. Announcements:

II. Task Force Leaders and Members NEED to attend the Underground Materials and Methods Subcommittee Meetings!

III. New Business: DB: Ofc365 is up and running, Spiral Wound sent to CMC,

GN: provided n over view of Ofc 365, everyone please us and get familiar with it and the usage of Office 365, JL: once again providing the link for the working documents, JJ: need to ensure the Submittal process is streamlined, and request as such. GN: ensure that the contact list for the task force has been provided to the Leader of each group. GN: when updating the specifications, keep the General Section as General and the Specification section as just that, product Specifications GN: get your comments submitted! No input, no voice. KF: it is imperative to get this done – task forces need to get regular

updates to this Greenbook subcommittee, our group will get it to Editorial and it will go on a 30 day hold, KF: each task force needs to follow the outline provided, this will help expedite the spec writing JL: has been updating the email list, if you know of someone who would like to be included in the Greenbook meetings please provide their contact information to JL. JLienberger@gmail.com thanks GN: 207-2.8 rejection of concrete pipe, need to determined need to get this done now. KF: 289NU has been approved. CG: each task force needs to provide on going updates to the Greenbook Materials and Methods Subcommittee.

IV. Old Business:

Revision of Section 500
