III. **Old Business:**

Revision of Section 500

IV **New Business**

Lance Grindle (LG) new chair of Greenbook committee says to continue with the updates to section 500.

Separate task force groups will be established for each separate section of the Greenbook Section 500.

Each group will get a working copy of the standard so that changes can be made to it. Changes will happen in Windows 365 so they can be shared and edited by as many as needed.

KW and EA will sponsor new section of Greebook, which will be in the same format, it will be assigned a number and will be sent to the underground subcommittee for review and inclusion to the pipe rehab section. Could be section 500-2-14.
