- II.** Meeting minutes of April 2010 are approved with minor comments.

III. Announcements:

- A.** The Specifications committee of the GB has updated language in Part 1.
- B.** SPPWC will be made available on the GB website (for a fee?) as .pdf, CADD file, or both.
- C.** City of Escondido sent a letter drawing attention to a discrepancy in units, “1 foot (1 meter)” under subsection 308-5.2.3 Plastic Pipe.
- D.** Process for initiating changes is now on the GB website. The form includes language regarding sole source submission.

IV. Old Business:

- A. Pipe Joint Types and Materials, Table 208-2.2.2(B)** – Discussion continued on the duration of testing for various types of pipe.
- B. Section 306 Overhaul** – Inspection requirements to be included at the beginning. (County of Los Angeles)

V. New Business –

- A.** Cities of San Diego and Oakland are using Core+Gard and Permacast spray-on epoxy liner. Tro-liner may require introduction as a change due to on-site mixing of the grout.

VI. Next Meeting: June 15, 2010 at 11:00 a.m.

VII. Adjournment: 11:48 a.m.
