Meeting minutes of June 19, 2012 were approved as submitted.

II. Announcements:

A. CG commented on items discussed at the June General Meeting. Refer to the General Meeting Minutes of June 19, 2012 posted on the GB website, www.greenbookspecs.org.

B. The GB seminar presented by Erik Updyke and Nelson Nelson was well attended and well received.

III. Old Business:

A. Change 222NU, Pipe Joints Types and Materials, Table 208-2.2.2(B) and Table 208-3(A) – Pending ASTM review. Awaiting update from Joe Parker (Approved by GB Committee on July 21, 2011).

B. Change 223NU, Section 306 Reorganization: GC advised that SSPWC provisions for trench width of pipe must be compared against the SPPWC. Bedding width will also need to be shown in tabular format.

C. Change 241NU – Irrigation Lines: Michael Monsen of Marina Landscape was not in attendance. No progress to report.

D. Change 242NU – Pressure Pipelines for Water. DP presented some of his PowerPoint™ slides covering the main elements and need for this change. He's continuing to discuss requirements with industry experts and stakeholders.

E. Change of precast RC box reinforcement in Std. Plan 390-0 (sheet 13 of 42) awaiting recommendation by Omar Moheize.

F. Part 5 – Editorial Changes. RJ has been working on changing language to clarify work involved with cleaning that might be considered as Extra Work under 3-3.

IV. New Business:

None.

V. Next meeting: August 14, 2012 at 11:00 a.m.

VI. Adjournment: 12:42 p.m.

Roger Kohlenberger, Secretary
Los Angeles County Department of Public Works
(626) 458-4964
