i. UMM waiting for final draft from City of Los Angeles to share with UMM.

d. Change No. 323 UM – Grey Iron & Ductile Iron Casting (Dickie Fernandez – OCSD).

- i. 206-3. DF will send email to industry (EJ, Neenah, D & L.) this week for their participation. Also seeking other Public Agencies for involvement. Plan is meet every 2 weeks, hopefully to get into the supplemental, but will ensure its correct. The section is out of date, for example grey iron casting are based on a design, as old as WWII. DF feels its our duty to update to current designs.
- ii. David/EJ – Greenbook designs are based on Alhambra’s & Longbeach Ironworks since the 40’s. Issue is that we haven’t identified the areas of improvement. Testing is creating unnecessary cost burdens.

VI. New Business
