1. 284UM Part 5

1. Review Draft. Prepare response to Editorial Committee

GN has not touched base with DB. DB is absent today, GN has reached out to Engineering field and asked them to come and join the meeting.

JL reach out to Charles Chen – Editorial 1st or 2nd Thursdays
– GN to JL Standing meeting for 284 UM – for Task Group for 284 UM

JJ: to GN clear understanding

MG: why has it taken so long

GN: shares NOV 2023 meeting, nearly complete version to Editorial - IT came back, and we discussed it and there is a handful of Editorial comments that need to be addressed.

GN: the core is done – it needs to be PRINT ready before going to Charles Chen.

Task Group – Jamie, JJ, MG., GN

BNI and Editorial cleaned up and here we are.

2. 329UM Table 306-7.8.3.2 SDR 35

GN: Invited IRWD to attend greenbook meeting and explore their expertise on mandrel use and Id/OD Jason Pilgrim and Micheal Lu.

3. 330UM Mandrel

4. 331UM 11month Warranty footnote to Table 306-7.8.3.1

Tabled til spring - Striking both of these - Delete the change order

JB asks

2. Tracking List

1. 321UM Chemical Resistance Test (City of LA)

1. Editorial Review

2. UMM review re-finalized draft.

These are with Charles and they have not been brought up in Editorial. CM emailed GN on this, they shared the emails about and the foot notes that is N/A and this is a change about cleaning up the footnotes on this table, hopefully on table for March and approved for the Supplemental.

2. 332 UM 216-7 Causes for Rejection of PRCB (216-7)

1. Editorial Committee Review

CM thought this change would be better suited in Section 3 – still on the table for discussion.

3. New Business

1. Section 208-3 Gasket Compression Set

GN: waiting for a change request to come from Hamilton Kent - the current numbers are more conservative, we want Greenbook to be more in line with national standards.

Adjourned at 11:30AM

Next Meeting: March 19, 2024
