III. Chair emphasized the Mission of the Task Force and our current focus on the chemical stabilization.

IV. Old Business - Clarification on the Change No. 164NS was addressed by Jason Flood and we all agreed that Change No. 164NS is no longer our current focus but the LA County Special Provisions.

V. Greenbook New Materials and Methods Subcommittee Chair told that he is going to ask the committee to provide a new change number for the working draft of LA County Special Provision.

VI. New Business – Members agreed to focus on Cement Stabilized Pulverized Base (CSPB) first and then the Lime Stabilized Pulverized Base (LSPB) since CSPB is extensively used.

- VII. Krishna asked if the title to be Full Depth Reclamation with Cement (FDR) instead of CSPB and it was explained the Greenbook base material is set up like that. We agreed to keep the same title.
- VIII. We agreed that the comments for changes will be included in the meeting in our new change document in the meeting; Jason Flood, our new librarian will update the document during our discussion.
- IX. Next Meeting - The next meeting will be held on Tuesday, February 5, 2013 in the OC Inspection Conference Room A, 1152 E. Fruit Street, Santa Ana, CA 92701 at 9:30 am.
- X. Adjournment - The meeting adjourned at about 11:40 a.m.
