Carlos Castellanos	City of Santa Ana	(714) 647-5642	CCastellanos@santa-ana.org

III. The 2013 February Meeting minute was approved by the task force members.

IV. The attendees reviewed and discussed Change No. 225NS (STFE02052013) sections up to Section 301.7.2.5 for Distributing Equipment and provided comments. The sections were modified based on the discussion in the meeting.

V. The following comments were noted:

- a) Review test methods for ASTM D558 and ASTM D1633 to find out the curing process.
- b) Review “Soil-Cement Laboratory Handbook” and provide specification extract instead of referencing the Handbook.

VI. Upcoming discussion – Members will focus on 301-7.4 Sequence of Work

VII. Next Meeting - The meeting will be held on Tuesday, May 7, 2013 in the OC Construction Conference Room A, 1152 E. Fruit Street, Santa Ana, CA 92701 at 9:30 am.

VIII. Adjournment - The meeting adjourned at about 11:30 a.m.
